Sir,

Sub: RURAL RECONSTRUCTION - Intensive work in selected firkas and Centres - List of works other than Rural Water Supply and Village Communications - Rough estimates - Report submitted.

Ref: Govt. Memorandum No.319-FD.III/48.1 dated 14-7-1948.

At the meeting of the Firka Development Committee held at Alur on 31-3-1948 the contents of the Government Memorandum No. 319 FD.III/48.1 dated 27-1-1948 and the schemes envisaged therein were explained to the members. The Committee unanimously agreed that the following items of work might be taken up as part of schemes under the co-ordinated plans:

1. Improving the existing Hospital at Alur
2. Constructing a maternity ward in the Hospital at Alur
3. Construction of a veterinary hospital at Alur
4. Provision of sites for stacking manure in villages
5. Grant of donations to night schools in the firka
6. Supply of books to poor boys in elementary school and high schools

Rough estimates of expenditure on each of these items were called for, from the Heads of Departments concerned.

(b) The District Medical Officer, Bellary, reports that any further extension to the Local Fund Hospital at Alur is unnecessary at present, as he found only one inpatient while the bed strength is eight. He has further reported that the approximate cost of constructing a maternity ward at Alur will be about Rs. 20,000. The matter was discussed at the meeting of the Firka Development Committee held on 31-5-1948. A sub Committee consiting of the following gentlemen was formed with powers to co-opt:

(1) Sri Linga Reddy (2) Sri Bhima Reddy (3) Sri Lakshmi Reddy (4) Sri D,Malla Reddy (5) Sri Rami Reddy.

It was further resolved that the sub-committee might be authorised to raise subscriptions to cover up 20 or 25 per cent of the estimated cost. The matter is under correspondence with the Firka Development Officer, Alur. The District Veterinary Officer, Bellary, has submitted a rough estimate for constructing a Veterinary Hospital at Alur for Rs. 15,144. The rates prevailing in 1937 have been adopted by him. A copy of his report is enclosed.

(c) The Firka Development Officer, Alur, has been requested to acquire private lands for stocking manure. His report has not yet been received. A further report will be submitted soon after hearing from him.

(d) The District Educational Officer, Bellary, has not yet reported the approximate cost involved in (1) grant of donations to night schools in the Firka and (LL) supply of books to poor boys in Elementary Schools and High Schools of Alur firka. I shall submit my report on this point soon after hearing from the District Educational Officer, Bellary.

Sd/. COLLECTOR.

FIRKA DEVELOPMENT DEPARTMENT.

In the Memo on p.1 c.f. the Collectors were requested to furnish an estimate of the cost involved in respect of the schemes of improvement such as Education, Public Health, Medical etc., other than those already sanctioned by the Government. Collectors were also informed that the estimates were to be drawn up on the basis that a sum of rupees one lakh only will be available for improvements in respect of each firka or centre. Submitted in this connection that the proposals submitted by the Collectors in this regard are mostly abridged editions of the plans for the co-ordinated development of firkas and centres. These coordinated plans have already been communicated to the Heads of Departments who were asked to formulate and submit plans of improvements as Part II Schemes for the year 1949-50. Further the plans for the co-ordinated development of each firka or centre are also being taken up one by one and examined separately. General plans of development under Medical aid and public health, Education, Veterinary Aid, Poultry improvements improvements under irrigation etc., are also separately under consideration of the Government. It is therefore for orders whether no action need be taken in this file and if so whether this may be recorded as G.O. (Rt).

May be recorded for the present.
